  - Next week is thanksgiving break and school will resume on the 30<sup>th</sup> of November.
  - Cheryl sent out an email that the county has moved into the purple tear. This will show guidelines on what we can expect.
  - Rescue school district has been complimented for our response to the few cases we have had and the protocols in place. We are still in a place where we need to focus on coming back in January for the full-time traditional model.
  - Exact communication will be coming out in the next few weeks about what we can expect going forward.
  - **Tk-2 will be in masks starting January 4th**
  - Cheryl will start sending specifics after thanksgiving as we gear up to full time.

- Halloween event was a success and was a lot of fun for the kids, 450 of the 500 goodie bags were handed out.
- Frontier families were very appreciated with the activity and being able to be involved with the school.
- Veterans day flag was really appreciated by the community as well as the veterans day cards.
- Christmas brain storming.
- Same idea as Halloween, drive through Christmas parade at night with a lot of lights. Mr. Haley to be dressed as Santa. Rescue Fire Department said we could borrow trees; they were not sure if they would have 15 but whatever they had we could borrow.
- The week of the parade all the classes will be decorating the Christmas trees so they are on display the week before the parade.
- We will be decorating with a ton of lights and we have asked the fire department to decorate their fire truck and help hand out candy.
- We will be getting a craft that we can hand out to the kids with a candy cane.
- Possibly reach out to El dorado County Sheriff and see if they want to join in as well.
- PTC will be out front handing out the craft and candy cane.
