6. A pupil residing in a state hospital located within the boundaries of that school district.
7. A pupil whose parent or legal guardian resides outside of the boundaries of that school district but is employed and lives with the pupil at the place of his or her employment within the boundaries of the school district for a minimum of three days during the school week.

1. School districts are not required to admit pupils whose parent or guardian is employed in the district, but the district may not refuse to admit a pupil on the basis, except as expressly provided in this subdivision, of race, ethnicity, sex, parental income, scholastic achievement, or any other arbitrary consideration.
2. School districts in which the residency of either the parent or legal guardian of the pupil is established, or the school district to which the pupil is to be transferred under EC § 48204(b) may prohibit the transfer of the pupil if the governing board of the school district determines that the transfer would negatively impact the court-ordered or voluntary desegregation plan of the school district.
3. School districts to which the pupil is to be transferred under EC § 48204(b) may prohibit the transfer of the pupil if the school district determines that the additional cost of educating the pupil would exceed the amount of additional state aid received as a result of the transfer. Once a pupil in kindergarten or any of grades 1 to 12, inclusive, is enrolled in a school pursuant to this chapter, the pupil shall not have to reapply for an interdistrict transfer, and the governing board of the school district of enrollment shall allow the pupil to continue to attend the school in which he or she is enrolled, except as specified in paragraphs (2) and (4).
  2. The agreement shall stipulate the terms and conditions under which interdistrict attendance shall be permitted or denied. The agreement may contain standards for reaplication agreed to by the district of residence and the district of attendance that differ from the requirements prescribed by paragraph (1). The agreement may stipulate terms and conditions established by the district of residence and the district of enrollment under which the permit may be revoked.
  3. The supervisor of attendance of the district of residence shall issue an individual permit verifying the district's approval, pursuant to policies of the governing board and terms of the agreement for the transfer. The Protection of Pupil Rights Amendment (PPRA), 20 U.S.C. § 1232h, requires school districts to notify you and obtain consent or allow you to opt your child out of participating in certain school activities. These activities include a student survey, analysis, or evaluation that concerns one or more of the following eight areas ("protected information surveys"):  

1. Political affiliations or beliefs of the student or student's parent;
2. Mental or psychological problems of the student or student's family;
3. Sex behavior or attitudes;
4. Illegal, anti-social, self-incriminating, or demeaning behavior;
5. Critical appraisals of others with whom respondents have close family relationships;
6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
7. Religious practices, affiliations, or beliefs of the student or student's parents; or
8. Income, other than as required by law to determine program eligibility.

This requirement also applies to the collection, disclosure or use of student information for marketing purposes ("marketing surveys"), and certain physical exams and screenings. Policies regarding these rights may be obtained from the school district.

Parents who believe their rights have been violated under this section may file a complaint with the Family Compliance Office, U.S. Department of Education, 400 Maryland Avenue, S.W., Washington, DC 20202-5901.
Notification of Rights under FERPA for Elementary and Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days (within 5 days under E.C. 49069) of the day the School receives a request for access.
   Parents or eligible students should submit to the School principal [or appropriate school official] a written request that identifies the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate.
   Parents or eligible students may ask the School to amend a record that they believe is inaccurate. They should write the School principal [or appropriate school official], clearly identify the part of the record they want changed, and specify why it is inaccurate. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.
   One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.
   A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
   Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

   Another exception permits disclosure of appropriately designated "directory information" without written consent, unless parents have advised the School to the contrary in accordance with school district procedures. The primary purpose of directory information is to allow the School to include this type of information from a student's education records in certain school publications (e.g., yearbooks, honor roll lists, sports activity sheets). Directory information, which is information that is not generally considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. In addition, schools are required to provide military recruiters, upon request, with secondary students' names, addresses and telephone listings unless parents have advised the school that they do not want their student's information disclosed without their prior consent.

   The School has designated the following information as directory information: student's name, participation in officially recognized activities and sports, address, telephone listing, weight and height of members of athletic teams, e-mail address, photograph, degrees, honors, and awards received, date and place of birth, major field of study, dates of attendance, grade level, and the most recent educational agency or institution attended. If parents do not want the School to disclose directory information from their child’s education records without prior written consent, they must notify the School in writing. [10 U.S.C. § 503, 20 U.S.C. § 7908, 34 C.F.R. § 99.37]

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4605.

determination that the student's identity is not personally identifiable, whether through single or
multiple releases and taking into account other reasonably available information.  (Education
Code 49074, 49076; 34 CFR 99.31)

administrative controls, to ensure that school officials and employees obtain access to only those
student records in which they have legitimate educational interests.  (34 CFR 99.31)

To inspect, review, or obtain copies of student records, authorized persons shall submit a request to
the custodian of records.  Prior to granting the request, the custodian of records shall authenticate

request by the parent/guardian, the district shall provide him/her a copy of the records disclosed.
(34 CFR 99.30)

Within five business days following the date of request, a parent/guardian or other authorized
person shall be granted access to inspect, review, and obtain copies of student records during

organizations requesting or receiving information from the records and the legitimate educational
interest of the requester.  (Education Code 49064)

July 2016

Dear Parents/Guardians of Students in the Rescue Union School District:

This letter is to inform you that your child may be eligible to receive alternative supports and/or Public School Choice (Choice) during the 2016–17 school year.

Background

President Barrack Obama signed into law the Every Student Succeeds Act (ESSA) on December 10, 2015. ESSA replaces the previous Elementary and Secondary Education Act (ESEA), also known as the No Child Left Behind (NCLB) Act of 2001. Under the ESSA, California is required to implement the same interventions in the 2016–17 school year for schools that were previously identified for program improvement (PI) in the 2015–16 school year; with the exception of the provision of Supplemental Educational Services (SES) and Choice.

Transition Plan for the 2016–17 School Year

As allowed by the ESSA, California is developing a new accountability system for the 2017–18 school year. The 2016–17 school year is considered a "transition" year, designed to effect an orderly transition to the new law and accountability system. California has developed a transition plan that describes various alternative supports and services that are to be provided to eligible students.

Alternative Supports

During the 2016–17 school year, under the ESSA, California has elected to eliminate the requirement for LEAs to provide SES. Instead, LEAs with schools identified for PI Year 2 and beyond will be required to provide eligible students with alternative supports. Alternative supports are supplemental activities designed to increase the academic achievement of students. Socioeconomically disadvantaged students attending a Title I school that is in PI Year 2 and beyond are eligible to receive alternative supports for the 2016–17 school year. Supplemental supports for PI Schools, Rescue and Green Valley are detailed in Goal 4 of our Local Control and Accountability Plan which can be accessed at [www.rescueusd.org](http://www.rescueusd.org). Please note that if there are insufficient funds to serve all eligible students, priority will be given to the lowest-achieving, previously identified PI school(s) or the lowest-achieving student(s) attending a previously-identified PI school.

Choice

Under the new law, California has also elected to allow LEAs to determine whether or not to offer Choice to new students. Choice allows students attending a PI school the option to transfer to another public school, including a public charter school, that is within the LEA and that was not identified for PI. Under the ESSA, Rescue Union School District has elected not to provide Choice to new students for the 2016–17 school year.

"Notice of Alternative Schools: California state law authorizes all school districts to provide for alternative schools. Section 58500 of the Education Code defines alternative school as a school or separate class group within a school which is operated in a manner designed to:

(a) Maximize the opportunity for students to develop the positive values of self-reliance, initiative, kindness, spontaneity, resourcefulness, courage, creativity, responsibility, and joy.

(b) Recognize that the best learning takes place when the student learns because of his desire to learn.

(c) Maintain a learning situation maximizing student self-motivation and encouraging the student in his own time to follow his own interests. These interests may be conceived by him totally and independently or may result in whole or in part from a presentation by his teachers of choices of learning projects.

(d) Maximize the opportunity for teachers, parents, and students to cooperatively develop the learning process and its subject matter. This opportunity shall be a continuous permanent process.

(e) Maximize the opportunity for the students, teachers, and parents to continuously react to the changing world, including but not limited to the community in which the school is located.

In the event any parent, pupil, or teacher is interested in further information concerning alternative schools, the county superintendent of schools, the administrative office of this district, and the principal’s office in each attendance unit have copies of the law available for your information. This law particularly authorizes interested persons to request the governing board of the district to establish alternative school programs in each district."

**DISTRIBUTION:** District of Residence (white); District of Attendance (yellow); Parents/Guardians (pink)
Considerations for Denial of Request for Transfer

A. Excess number of students transferring out of district and denial based on policies of the governing board.
B. Additional cost of educating student would exceed the amount of additional state aid received as a result of the transfer.
C. School facilities are overcrowded at the relevant grade level.
D. Unexcused absences and tardiness or behavior issues.
E. Enrollment of student would adversely affect the district’s court-ordered or voluntary desegregation plan.
F. Proof of parent/guardian’s physical employment within district boundaries not provided.
G. Transfer denied due to overcrowding within district schools or due to limited district resources.
H. Other

Parents Rights

If you have not been given permission for interdistrict attendance as you have requested within 30 calendar days after having made such a request, you are entitled to appeal to the County Board of Education. Your appeal rights are as follows:

1. You must appeal within 30 calendar days of the failure or refusal of the Governing Board of either school district to issue a permit or to enter into an agreement allowing the attendance.
2. Your appeal must be made to the El Dorado County Board of Education at 6767 Green Valley Road, Placerville, CA 95667. Telephone Number: (530)622-7130
3. If your current district of residence is outside of El Dorado County, you must appeal to the County Board of Education having jurisdiction over the district of residence where you reside.
4. Failure to appeal within the required time is good cause for denial of an appeal.
5. An appeal can only be accepted if it is verified that you have fully exhausted all appeals within the districts.
6. The County Superintendent of Schools, through someone he/she designates, shall investigate to determine whether local remedies in the matter have been exhausted and to provide any additional information deemed useful to the County Board in reaching a decision.
7. You shall have the opportunity to have a hearing according to rules and regulations adopted by the County Board of Education and to submit written statements and documentation.
8. You shall be provided notice as to the time and date of any hearing scheduled.
9. If you introduce new evidence at the County Board level, the County Board may remand the matter for further consideration by the district or districts. In all of the cases, the appeal shall be granted or denied on its merits.
10. The County Board of Education is required, within 30 calendar days after the appeal is filed, to determine whether the pupil should be permitted to attend in the district in which he/she desires to attend and the applicable period of time.
11. The County Board rules may provide for the granting of additional time if good cause is shown.
12. If the County Board cannot make a decision in the required time as practical matter, the time period may be extended for up to an additional five (5) school days.
13. If the interdistrict attendance involves school districts located in different counties, the County Board of Education having jurisdiction over the district denying the permit, or refusing or failing to enter into an agreement to allow the issuance of a permit, shall have jurisdiction for the purposes of an appeal.
14. If both County districts deny a permit, or refuse or fail to enter into an agreement to allow for the issuance of a permit, the County Board having jurisdiction over the district of residence shall have jurisdiction for purposes of an appeal, and upon granting a pupil’s appeal, shall seek concurrence in the decision by the County Board of the other county which shall provide adequate opportunity for the district under its jurisdiction to be heard on the matter before making a decision. If the two County Boards do not then concur, the pupil’s appeal shall be denied.
15. Students who are under consideration for expulsion, or who have been expelled pursuant to Sections 48915(a) and 48918 may not appeal interdistrict attendance denials or recisions while expulsion proceedings are pending or during the term of the expulsion.

ATTENDANCE PRIORITIES

Priority for attendance and waiting list will be given to students within the following categories:

First, students residing within a school's attendance area (Education Code 35160.5), and

Secondly, continuing students wishing to remain at the same school—intradistrict and overflow students (overflow students are students displaced by the district from their school of residence due to unavailability of space).

Intradistrict enrollment will be determined based on the following priorities:

1. Siblings of intradistrict, and overflow students concurrently enrolled at the same school.
2. Continuing intradistrict transfer students.
3. New intradistrict transfers for students with siblings already admitted at the school.
4. New intradistrict applicants - Students will be selected by lot and if space is not available will be placed on a waiting list. Those students who are on the waiting list will be given priority over new intradistrict applicants submitted after the last week in July unless they request to be dropped.
5. Interdistrict Transfers:
   a. Continuing interdistrict transfers
   b. New applications (If space is not available student will be placed on the waiting list for the remainder of the year)

Board Policy
Uniform Complaint Procedures

BP 1312.3
Community Relations

The Governing Board recognizes that the district has the primary responsibility to ensure compliance with applicable state and federal laws and regulations governing educational programs. The district's uniform complaint procedures (UCP) shall be used to investigate and resolve the following complaints:

11. Any other complaint as specified in a district policy

The Board recognizes that alternative dispute resolution (ADR) can, depending on the nature of the allegations, offer a process to reach a resolution to the complaint that is acceptable to all parties. ADR such as mediation may be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. The Superintendent or designee shall ensure that the use of ADR is consistent with state and federal laws and regulations.

The district shall protect all complainants from retaliation. In investigating complaints, the confidentiality of the parties involved shall be protected as required by law. As appropriate for any complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the Superintendent or designee shall keep confidential the identity of the complainant and/or the subject of the complaint if he/she is different from the complainant, as long as the integrity of the complaint process is maintained.

(cf. 4119.23/4219.23/4319.23 - Unauthorized Release of Confidential/Privileged Information)
(cf. 5125 - Student Records)
(cf. 9011 - Disclosure of Confidential/Privileged Information)

When an allegation that is not subject to the UCP is included in a UCP complaint, the district shall refer the non-UCP allegation to the appropriate staff or agency and shall investigate and, if appropriate, resolve the UCP-related allegation(s) through the district's UCP.

The Superintendent or designee shall provide training to district staff to ensure awareness and knowledge of current law and related requirements, including the steps and timelines specified in this policy and the accompanying administrative regulation.

(cf. 4131 - Staff Development)
(cf. 4231 - Staff Development)

(cf. 3580 - District Records)

Non-UCP Complaints

The following complaints shall not be subject to the district's UCP but shall be referred to the specified agency: (5 CCR 4611)

1. Any complaint alleging child abuse or neglect shall be referred to the County Department of Social Services, the County Protective Services Division, and the appropriate law enforcement agency.

2. Any complaint alleging health and safety violations by a child development program shall, for licensed facilities, be referred to Department of Social Services and shall, for licensing-exempt facilities, be referred to the appropriate Child Development regional administrator.

3. Any complaint alleging employment discrimination shall be sent to the California Department of Fair Employment and Housing and the compliance officer shall notify the complainant by first class mail of the transfer.

If interim measures are determined to be necessary, the compliance officer or the administrator shall consult with the Superintendent, the Superintendent's designee, or, if appropriate, the site principal to implement, if possible, one or more interim measures. The interim measures may remain in place until the compliance officer determines that they are no longer necessary or until the district issues its final written decision, whichever occurs first.

If 15 percent or more of students enrolled in a particular district school speak a single primary language other than English, the district's policy, regulation, forms, and notices concerning the UCP shall be translated into that language, in accordance with Education Code 234.1 and 48985. 4. Include statements that:

   a. The district has the primary responsibility to ensure compliance with applicable state and federal laws and regulations governing educational programs.

   b. The complaint review shall be completed within 60 calendar days from the date of receipt of the complaint unless the complainant agrees in writing to an extension of the timeline.

   c. A complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) must be filed not later than six months from the date it occurred, or six months from the date the complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The time for filing may be extended for up to 90 days by the Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension.
d. A student enrolled in a public school shall not be required to pay a fee for his/her participation in an educational activity that constitutes an integral fundamental part of the district's educational program, including curricular and extracurricular activities.

e. The Board is required to adopt and annually update the LCAP in a manner that includes meaningful engagement of parents/guardians, students, and other stakeholders in the development and/or review of the LCAP.

g. A foster youth or homeless student who transfers into a district high school or between district high schools shall be notified of the district's responsibility to:

(1) Accept any coursework or part of the coursework that the student has satisfactorily completed in another public school, juvenile court school, or a nonpublic, nonsectarian school or agency, and to issue full or partial credit for the coursework completed

(2) Not require the student to retake any course or a portion of a course which he/she has satisfactorily completed in another public school, juvenile court school, or a nonpublic, nonsectarian school or agency

i. The appeal to the CDE must include a copy of the complaint filed with the district and a copy of the district's decision.

j. Copies of the district's UCP are available free of charge.

District Responsibilities

All UCP-related complaints shall be investigated and resolved within 60 calendar days of the district's receipt of the complaint unless the complainant agrees in writing to an extension of the timeline. (5 CCR 4631)
The compliance officer shall maintain a record of each complaint and subsequent related actions, including steps taken during the investigation and all information required for compliance with 5 CCR 4631 and 4633.

All parties involved in the allegations shall be notified when a complaint is filed and when a decision or ruling is made. However, the compliance officer shall keep all complaints or allegations of retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) confidential except when disclosure is necessary to carry out the investigation, take subsequent corrective action, conduct ongoing monitoring, or maintain the integrity of the process. (5 CCR 4630, 4964)

**Filing of Complaints**

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp.

All complaints shall be filed in accordance with the following:

1. A written complaint alleging district violation of applicable state or federal law or regulations governing adult education programs, consolidated categorical aid programs, migrant education, career technical and technical education and training programs, child care and development programs, child nutrition programs, and special education programs may be filed by any individual, public agency, or organization. (5 CCR 4630)

2. Any complaint alleging noncompliance with law regarding the prohibition against requiring students to pay student fees, deposits, and charges or any requirement related to the LCAP may be filed anonymously if the complaint provides evidence, or information leading to evidence, to support an allegation of noncompliance. A complaint about a violation of the prohibition against the charging of unlawful student fees may be filed with the principal of the school. However, any such complaint shall be filed no later than one year from the date the alleged violation occurred. (Education Code 49013, 52075; 5 CCR 4630)

3. A complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) may be filed only by a person who alleges that he/she personally suffered the unlawful discrimination or by a person who believes that an individual or any specific class of individuals has been subjected to it. The complaint shall be initiated no later than six months from the date when the alleged unlawful discrimination occurred, or six months from the date when the complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The time for filing may be extended for up to 90 days by the Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension. (5 CCR 4630)

4. When a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) is filed anonymously, the compliance officer shall pursue an
investigation or other response as appropriate, depending on the specificity and reliability of the information provided and the seriousness of the allegation.

5. When the complainant or alleged victim of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) requests confidentiality, the compliance officer shall inform him/her that the request may limit the district's ability to investigate the conduct or take other necessary action. When honoring a request for confidentiality, the district shall nevertheless take all reasonable steps to investigate and resolve/respond to the complaint consistent with the request.

6. If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, district staff shall assist him/her in the filing of the complaint. (5 CCR 4600)

**Mediation**

Within three business days after the compliance officer receives the complaint, he/she may informally discuss with all the parties the possibility of using mediation. Mediation shall be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving an allegation of sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. If the parties agree to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall ensure that all parties agree to make the mediator a party to relevant confidential information. The compliance officer shall also notify all parties of the right to end the informal process at any time.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend the district's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. If mediation is successful and the complaint is withdrawn, then the district shall take only the actions agreed to through the mediation. If mediation is unsuccessful, the district shall then continue with subsequent steps specified in this administrative regulation.

**Investigation of Complaint**

Within 10 business days after the compliance officer receives the complaint, the compliance officer shall begin an investigation into the complaint.
Within one business day of initiating the investigation, the compliance officer shall provide the complainant and/or his/her representative with the opportunity to present the information contained in the complaint to the compliance officer and shall notify the complainant and/or his/her representative of the opportunity to present the compliance officer with any evidence, or information leading to evidence, to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation.

In conducting the investigation, the compliance officer shall collect all available documents and review all available records, notes, or statements related to the complaint, including any additional evidence or information received from the parties during the course of the investigation. He/she shall individually interview all available witnesses with information pertinent to the complaint, and may visit any reasonably accessible location where the relevant actions are alleged to have taken place. To investigate a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall interview the alleged victim(s), any alleged offenders, and other relevant witnesses privately, separately, and in a confidential manner. As necessary, additional staff or legal counsel may conduct or support the investigation.

A complainant's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in the dismissal of the complaint because of a lack of evidence to support the allegation. (5 CCR 4631)

In accordance with law, the district shall provide the investigator with access to records and other information related to the allegation in the complaint and shall not in any way obstruct the investigation. Failure or refusal of the district to cooperate in the investigation may result in a finding based on evidence collected that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

The compliance officer shall apply a "preponderance of the evidence" standard in determining the veracity of the factual allegations in a complaint. This standard is met if the allegation is more likely to be true than not.

Report of Findings

Unless extended by written agreement with the complainant, a final decision shall be sent to the complainant within 60 calendar days of the district's receipt of the complaint. Within 30 calendar days of receiving the complaint, the compliance officer shall prepare and send to the complainant a written report, as described in the section "Final Written Decision" below. If the complainant is dissatisfied with the compliance officer's decision, he/she may, within five business days, file his/her complaint in writing with the Board.

The Board may consider the matter at its next regular Board meeting or at a special Board meeting convened in order to meet the 60-day time limit within which the complaint must be
answered. The Board may decide not to hear the complaint, in which case the compliance officer's decision shall be final.

If the Board hears the complaint, the compliance officer shall send the Board's decision to the complainant within 60 calendar days of the district's initial receipt of the complaint or within the time period that has been specified in a written agreement with the complainant.  (5 CCR 4631)

**Final Written Decision**

The district's decision on how it will resolve the complaint shall be in writing and shall be sent to the complainant.  (5 CCR 4631)

In consultation with district legal counsel, information about the relevant part of a decision may be communicated to a victim who is not the complainant and to other parties who may be involved in implementing the decision or are affected by the complaint, as long as the privacy of the parties is protected.

If the complaint involves a limited-English-proficient student or parent/guardian and the student involved attends a school at which 15 percent or more of the students speak a single primary language other than English, then the decision shall also be translated into that language. In all other instances, the district shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

For all complaints, the decision shall include:  (5 CCR 4631)

1. The findings of fact based on the evidence gathered. In reaching a factual determination, the following factors may be taken into account:
   a. Statements made by any witnesses
   b. The relative credibility of the individuals involved
   c. How the complaining individual reacted to the incident
   d. Any documentary or other evidence relating to the alleged conduct
   e. Past instances of similar conduct by any alleged offenders
   f. Past false allegations made by the complainant
2. The conclusion(s) of law
3. Disposition of the complaint
4. **Rationale for such disposition**

For complaints of retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the disposition of the complaint shall include a determination for each allegation as to whether retaliation or unlawful discrimination has occurred.

The determination of whether a hostile environment exists may involve consideration of the following:

a. How the misconduct affected one or more students' education

b. The type, frequency, and duration of the misconduct

c. The relationship between the alleged victim(s) and offender(s)

d. The number of persons engaged in the conduct and at whom the conduct was directed

e. The size of the school, location of the incidents, and context in which they occurred

f. Other incidents at the school involving different individuals

5. **Corrective action(s), including any actions that have been taken or will be taken to address the allegations in the complaint and including, with respect to a student fees complaint, a remedy that comports with Education Code 49013 and 5 CCR 4600**

For complaints of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the decision may, as required by law, include:

a. The corrective actions imposed on the individual found to have engaged in the conduct that relate directly to the subject of the complaint

b. Individual remedies offered or provided to the complainant or another person who was the subject of the complaint

c. Systemic measures the school has taken to eliminate a hostile environment and prevent recurrence

6. **Notice of the complainant's right to appeal the district's decision to the CDE within 15 calendar days, and procedures to be followed for initiating such an appeal**

The decision may also include follow-up procedures to prevent recurrence or retaliation and for reporting any subsequent problems.
For complaints alleging unlawful discrimination based on state law (such as discriminatory harassment, intimidation, and bullying), the decision shall also include a notice to the complainant that:

1. He/she may pursue available civil law remedies outside of the district's complaint procedures, including seeking assistance from mediation centers or public/private interest attorneys, 60 calendar days after the filing of an appeal with the CDE. (Education Code 262.3)

2. The 60 days moratorium does not apply to complaints seeking injunctive relief in state courts or to discrimination complaints based on federal law. (Education Code 262.3)

3. Complaints alleging discrimination based on race, color, national origin, sex, gender, disability, or age may also be filed with the U.S. Department of Education, Office for Civil Rights at www.ed.gov/ocr within 180 days of the alleged discrimination.

**Corrective Actions**

When a complaint is found to have merit, the compliance officer shall adopt any appropriate corrective action permitted by law. Appropriate corrective actions that focus on the larger school or district environment may include, but are not limited to, actions to reinforce district policies; training for faculty, staff, and students; updates to school policies; or school climate surveys.

For complaints involving retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), appropriate corrective actions that focus on the victim may include, but are not limited to, the following:

1. Counseling
2. Academic support
3. Health services
4. Assignment of an escort to allow the victim to move safely about campus
5. Information regarding available resources and how to report similar incidents or retaliation
6. Separation of the victim from any other individuals involved, provided the separation does not penalize the victim
7. Restorative justice
8. Follow-up inquiries to ensure that the conduct has stopped and there has been no retaliation
9. Determination of whether any past actions of the victim that resulted in discipline were related to the treatment the victim received and described in the complaint

For complaints involving retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), appropriate corrective actions that focus on a student offender may include, but are not limited to, the following:

1. Transfer from a class or school as permitted by law
2. Parent/guardian conference
3. Education regarding the impact of the conduct on others
4. Positive behavior support
5. Referral to a student success team
6. Denial of participation in extracurricular or co-curricular activities or other privileges as permitted by law
7. Disciplinary action, such as suspension or expulsion, as permitted by law

The district may also consider training and other interventions for the larger school community to ensure that students, staff, and parents/guardians understand the types of behavior that constitute unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), that the district does not tolerate it, and how to report and respond to it.

If a complaint alleging noncompliance with the laws regarding student fees, deposits, and other charges, physical education instructional minutes for students in elementary schools, or any requirement related to the LCAP is found to have merit, the district shall provide a remedy to all affected students and parents/guardians subject to procedures established by regulation of the State Board of Education. (Education Code 49013, 51223, 52075)

For complaints alleging noncompliance with the laws regarding student fees, the district shall attempt in good faith, by engaging in reasonable efforts, to identify and fully reimburse all affected students and parents/guardians who paid the unlawful student fees within one year prior to the filing of the complaint. (Education Code 49013; 5 CCR 4600)

**Appeals to the California Department of Education**

Any complainant who is dissatisfied with the district's final written decision may file an appeal in writing with the CDE within 15 calendar days of receiving the district's decision. (Education Code 222, 48853, 48853.5, 49013, 49069.5, 51223, 51225.1, 51225.2, 51228.3, 52075; 5 CCR 4632)
The complainant shall specify the basis for the appeal of the decision and whether the facts are incorrect and/or the law has been misapplied. The appeal shall be accompanied by a copy of the locally filed complaint and a copy of the district's decision. (5 CCR 4632)

Upon notification by the CDE that the complainant has appealed the district's decision, the Superintendent or designee shall forward the following documents to the CDE: (5 CCR 4633)

1. A copy of the original complaint
2. A copy of the written decision
3. A summary of the nature and extent of the investigation conducted by the district, if not covered by the decision
4. A copy of the investigation file including, but not limited to, all notes, interviews, and documents submitted by the parties and gathered by the investigator
5. A report of any action taken to resolve the complaint
6. A copy of the district's uniform complaint procedures
7. Other relevant information requested by the CDE

School-Level Complaint Process/Grievance Procedure

Complaints of sexual harassment, or any behavior prohibited by the district's Nondiscrimination/Harassment policy - BP 5145.3, shall be handled in accordance with the following procedure:

1. **Notice and Receipt of Complaint**: Any student who believes he/she has been subjected to sexual harassment or who has witnessed sexual harassment may file a complaint with any school employee. Within 24 hours of receiving a complaint, the school employee shall report it to the district Coordinator for Nondiscrimination/Principal. In addition, any school employee who observes any incident of sexual harassment involving a student shall, within 24 hours, report this observation to the Coordinator/Principal, whether or not the victim files a complaint.

   In any case of sexual harassment involving the Coordinator/Principal to whom the complaint would ordinarily be made, the employee who receives the student's report or who observes the incident shall instead report to the Superintendent or designee.

2. **Initiation of Investigation**: The Coordinator/Principal shall initiate an impartial investigation of an allegation of sexual harassment within five school days of receiving notice of the harassing behavior, regardless of whether a formal complaint has been filed. The district shall be considered to have "notice" of the need for an investigation upon receipt of information from a student who believes he/she has been subjected to harassment, the student's parent/guardian, an employee who received a complaint from a student, or any employee or student who witnessed the behavior.

   If the Coordinator/Principal receives an anonymous complaint or media report about alleged sexual harassment, he/she shall determine whether it is reasonable to pursue an investigation considering the specificity and reliability of the information, the seriousness of the alleged incident, and whether any individuals can be identified who were subjected to the alleged harassment.
3. **Initial Interview with Student:** When a student or parent/guardian has complained or provided information about sexual harassment, the Coordinator/Principal shall describe the district's grievance procedure and discuss what actions are being sought by the student in response to the complaint. The student who is complaining shall have an opportunity to describe the incident, identify witnesses who may have relevant information, provide other evidence of the harassment, and put his/her complaint in writing. If the student requests confidentiality, he/she shall be informed that such a request may limit the district's ability to investigate.

4. **Investigation Process:** The Coordinator/Principal shall keep the complaint and allegation confidential, except as necessary to carry out the investigation or take other subsequent necessary action. (5 CCR 4964)

The Coordinator/Principal shall interview individuals who are relevant to the investigation, including, but not limited to, the student who is complaining, the person accused of harassment, anyone who witnessed the reported harassment, and anyone mentioned as having relevant information. The Coordinator/Principal may take other steps such as reviewing any records, notes, or statements related to the harassment or visiting the location where the harassment is alleged to have taken place.

When necessary to carry out his/her investigation or to protect student safety, the Coordinator/Principal also may discuss the complaint with the Superintendent or designee, the parent/guardian of the student who complained, the parent/guardian of the alleged harasser if the alleged harasser is a student, a teacher or staff member whose knowledge of the students involved may help in determining who is telling the truth, law enforcement and/or child protective services, and district legal counsel or the district's risk manager.

(cf. 5141.4 - Child Abuse Prevention and Reporting)

5. **Interim Measures:** The Coordinator/Principal shall determine whether interim measures are necessary during and pending the results of the investigation, such as placing students in separate classes or transferring a student to a class taught by a different teacher.

6. **Optional Mediation:** In cases of student-on-student harassment, when the student who complained and the alleged harasser so agree, the Coordinator/Principal may arrange for them to resolve the complaint informally with the help of a counselor, teacher, administrator, or trained mediator. The student who complained shall never be asked to work out the problem directly with the accused person unless such help is provided and both parties agree, and he/she shall be advised of the right to end the informal process at any time.
7. **Factors in Reaching a Determination:** In reaching a decision about the complaint, the Coordinator/Principal may take into account:

a. Statements made by the persons identified above  
b. The details and consistency of each person's account  
c. Evidence of how the complaining student reacted to the incident  
d. Evidence of any past instances of harassment by the alleged harasser  
e. Evidence of any past harassment complaints that were found to be untrue  

To judge the severity of the harassment, the Coordinator/Principal may take into consideration:

a. How the misconduct affected one or more students' education  
b. The type, frequency, and duration of the misconduct  
c. The identity, age, and sex of the harasser and the student who complained, and the relationship between them  
d. The number of persons engaged in the harassing conduct and at whom the harassment was directed  
e. The size of the school, location of the incidents, and context in which they occurred  
f. Other incidents at the school involving different students  

8. **Written Report on Findings and Follow-Up:** No more than 30 days after receiving the complaint, the Coordinator/Principal shall conclude the investigation and prepare a written report of his/her findings. This timeline may be extended for good cause. If an extension is needed, the Coordinator/Principal shall notify the student who complained and explain the reasons for the extension.  

The report shall include the decision and the reasons for the decision and shall summarize the steps taken during the investigation. If it is determined that harassment occurred, the report shall also include any corrective actions that have or will be taken to address the harassment and prevent any retaliation or further harassment. This report shall be presented to the student who complained, the person accused, the parents/guardians of the student who complained and the student who was accused, and the Superintendent or designee.
In addition, the Coordinator/Principal shall ensure that the harassed student and his/her parent/guardian are informed of the procedures for reporting any subsequent problems. The Coordinator/Principal shall make follow-up inquiries to see if there have been any new incidents or retaliation and shall keep a record of this information.

**Enforcement of District Policy**

The Superintendent or designee shall take appropriate actions to reinforce the district's sexual harassment policy. As needed, these actions may include any of the following:

1. Removing vulgar or offending graffiti
   
   (cf. 5131.5 - Vandalism and Graffiti)

2. Providing training to students, staff, and parents/guardians about how to recognize harassment and how to respond

   (cf. 4131 - Staff Development)
   (cf. 4231 - Staff Development)
   (cf. 4331 - Staff Development)

3. Disseminating and/or summarizing the district's policy and regulation regarding sexual harassment

4. Consistent with the laws regarding the confidentiality of student and personnel records, communicating the school's response to parents/guardians and the community

   (cf. 4119.23/4219.23/4319.23 - Unauthorized Release of Confidential/Privileged Information)
   (cf. 5125 - Student Records)

5. Taking appropriate disciplinary action

   In addition, disciplinary measures may be taken against any person who is found to have made a complaint of sexual harassment which he/she knew was not true.

   (cf. 4118 - Suspension/Disciplinary Action)
   (cf. 4218 - Dismissal/Suspension/Disciplinary Action)
   (cf. 5144.1 - Suspension and Expulsion/Due Process)
   (cf. 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities))
