Explain all "YES" answers here along with any other fact or circumstance that should be disclosed to the examining physician (use reverse of form if needed):

PARENT/GUARDIAN'S AUTHORIZATION: I authorize a physician to perform a Sports Physical Evaluation on the student. The information set forth above is complete and accurate and I know of no reason why the student cannot fully and safely participate in the listed sports. I understand that this is solely a screening examination and that the absence of any health conditions or concerns listed below does not mean that student is free from actual or potential harmful health conditions that may cause the student injury or death while participating in sports. Any question or concern I may have regarding the student's health or safety will be referred to our personal physician for review and evaluation.
