Principal Report

Dustin

- Hybrid is the current plan at the moment but going full time is still in the talks and a priority.
- Getting information from the state that the new mandates were not set in place to keep us from reopening full time. Please be on the lookout for more information in the coming weeks. No date set or time frame set as of right now for transitioning into full time.
- Last day of the Trimester is **February 26th** and report cards will be coming out on **March 5th**. **March 12** is a distance learning day and a teacher work day.
- To commemorate the one year marker for when our school shut down we would like to provide the teachers a coffee cart as a thank you for all the hard work they have done over the last year.
