Meeting called to order at 7:07PM

Sydney

February Meeting notes approved by Jamie and Jessica

Principal Report

Dustin

- We are into the second full week of the schools full re-opening. Kids have reported being tired and hungry the first couple of days.
  - Routine has been started to take place among the students and teachers.
  - Yesterday 3/15/21 was the one-year anniversary of the shut-down. Staff was moved by the signs placed around the campus. Food service workers were grateful to be recognized with signs.
  - Staff was very thankful for the hot drinks provided by the PTC. There was a sign up for the drinks and they were delivered to each classrooms. Frontier teachers, yard duties and other staff was able to take part in the hot drinks.
  - State testing state will be taking place in May. If you are on campus then for the whole month of March there will be tailored lessons for the test. After spring break a refresher lessons will take place and teachers will be getting the kids used to the tools and testing materials that will be used.
  - The different grades will alternate testing days.
  - 3<sup>rd</sup> 4<sup>th</sup> and 5<sup>th</sup> will do multiple choice for language arts and math as well as have a written portion. Math has been reduced 50%
  - After spring break more information on the scheduling of the state testing will be given. We will start helping the kids at that point with the platform as we return to school.
  - In frontier they are trying to organize it to see which families want their children to be tested.
-

- You can write a letter if you would like your child to be excluded this year. The state wants at least 95% of their kids tested but this is being waived this school year. Frontier teachers will be setting up a schedule for kids to be tested in their own classroom.
- Teaches will talk to them about this test and what it looks like. Information will be sent out with sample questions. This will allow parents to check it out. We are urging families not to take this test too seriously.
- If we opt out does it reflect the district? It is going to be a mess either way, parents may opt out for a variety of reasons. They might share with other schools but it is not going to be ideal either way.
- Do not share results with your kids. It is just for you to see where your kids are for parents.
- Open enrollment for incoming new students K/TK, folks in frontier do not need to re-enroll in Rescue.
- We are in preliminary stages for staffing next year.
- The district recognizes there is going to be some transitioning for next year. 100 kids back on campus if all frontier families come back. District is committed to reducing class size next year to help acclimate kids. We are also committed to not having any hybrid classes next school year.
- The district is going to be offering an independent study program. Teachers would be facilitators in this and not full teaching. They will not be staffing it the way they did this year. Sign ups for this is in late spring or late April.
- Sign ups for summer school will begin after spring break. Lake forest is the primary school and Rescue is the secondary. Summer school will be a 4-week program. June 8<sup>th</sup> to July 2<sup>nd</sup>. Anybody can choose to do summer school this year. The focus will be on language arts and math.
- Open house we can not have volunteers so we can not do the regular open house. They will be talking about sending home stuff for the kids.
- 5<sup>th</sup> grade and for the middle schools have said no to in person graduations and promotion ceremonies this year. Hopeful that next year this will change.
- I Love reading week. Today was twin day, tomorrow is wear green for saint Patrick's day, Thursday is pajama day, Friday is crazy sock day.
- Mr. Haley to dress up as stitch one day this month and planning to do it on pajama day.

## President Report

Sydnie

- Last year we talked about adding para educator and teacher aid appreciation day. They can go unnoticed so we would like to add them in this year, **April 6<sup>th</sup> is para education appreciation day.**
- There are about a dozen para educators. PTC will be reaching out to room parents and will be creating a goodie bag or something. We do not want put it on the room parents completely because the para

**Item****Owner**

educators are not always assigned to a specific classroom but work with different classes.

- Teacher appreciation week **first week in May**. Next year we would like to look at moving it to a different week so it is not at the same time as open house.
- Possibly moving tables for teachers and potentially moving it to the garden which would allow them to be socially distant and have a lunch area out in the garden.
- Possibly decorate staff lounge.
- Possibly put up a bench over by the teachers, example would be near the 3<sup>rd</sup> grade teachers.
- We would like to get teacher input on whether they would use the benches this year or if they would rather have a lunch catered etc.
- If you want to keep your position please write a paragraph about wanting to keep your position. If you do not want to keep your position then please let them know and/or if you know someone who wants to run for the position.

VP Events Report (None)

Jessica
