Principal Report

Dustin

- First week of school has begun this week, please provide and send in any feedback on your experience hybrid or Frontier.
- Parents are following good protocol with bringing kids and following health and safety guidelines.
- Traffic has been better with hybrid option eliminating traffic issues on campus.
- Teachers have been and will continue to be communicating with kids and families.
- Indoor recess will be implemented for days with high temperatures.
- **Wednesday 8/19/20 is our first of eight distance learning days this year.** This gives teachers time to plan and prepare for the year, especially if we switch to full distant learning.
- Fuel Ed is overflowing with students leading to having some troubles getting the platform organized. Please have patience as the kinks are worked out.
- Teachers are focused on getting to know students and build relationships.
- Fuel Ed has auto uploaded assignments, please ignore and follow teacher instructions on assignments.
- **Back to school night is 8/20/20 and will be virtual this year. Teachers will have their meeting ID's to share with families.**
- Frontier families will start to receive emails from Rescue again once the information is received in Blackboard, but these families will receive emails from the school starting again this week.
- Extended day lottery will be released soon, we are trying to get more families into this program by opening more space for students. Currently 12 students per classroom allowed.

President Report

- We all are Rescue Strong together, remember to be flexible and have patience and grace this year as we work through this. Support teachers and family whether you are virtual or on campus to keep our Rescue community strong.
- Drinking fountains will be closed on campus due to safety reasons so water bottles will be provided for all students, including Frontier students. These should be delivered in the next few days.
- Theme for the year is, Rescue Strong Together.
- Homework folders will be going out this week. Businesses that are advertised on them were done for free this year to support the businesses that support our school and the community.
- **Spirit wear store is open. Order deadline is 8/31/20.**
- Flyer for spirit wear will be going home in homework folders.
- Delivery date of spirit wear will be mid to late September.
- Specific colors will be available for each grade to show your grade level spirit. Spirit wear Fridays will be going on whether you are Frontier or hybrid.
- Send photos of your kids in their distant learning set up or on campus. We want to see everyone and be able to show how we are staying together as a community no matter where we learn. We encourage photos to be sent in to represent all our kids in the yearbook as well. We are all in this together.
- No 2019-2020 yearbooks have been delivered yet. Last update, pages have been printed and they are working on the cover.

VP Events Report

Jessica

- Grandparents Breakfast will be virtual this year.
- Ideas will be a weekend event where the kids spend time with their grandparents and send in pictures of themselves spending time with their grandparents.
- Photos in person or via video call are welcome.
- We can/will put together a slideshow to send to families in the Rescue community.
- Ideas: Make a sign or card for their grandparents so if they cannot see their grandparents, they can send it to them. This is something we can print out and add to homework folders.

All

- A. Sunshine Crew (None)
- B. Dine Out (None)
- C. Room Parent –
 - The goal this year is to try to support teachers and students anyway they can.
 - There is a Flyer inside of the Friday folders asking for volunteers for room parent as well as many other roles.
 - **First room parent meeting will be 30 minutes prior to the September PTC meeting on 9/15/20.**
 - Sydnie will be taking on role of room parent for the Frontier teachers and will be communicating spirit days with them.
 - Connecting with Student Council to coordinate spirit days and stay connected as a community.
- D. Enrichment (None)
- E. Garden (None)
- F. Yearbook – Send in photos of kids in virtual classrooms and on campus on the first day of school. We want to see all the kids at home and at school in masks, etc. [Send photos to: rescueyearbook@my.rescueusd.org](mailto:rescueyearbook@my.rescueusd.org)

New Business

All

- No mini grants presently
- Thankful Thursday still in planning stages. PTC would like to do coffee carts so teachers can socially distance themselves. This would be available for Frontier teachers as well as hybrid teachers, possible date 9/9/20.
- Ice cream truck as another possibility as the weather is still extremely hot.
